

Cani-Fit COVID-19 Information

It's great to be back out the trails, so let's keep everyone safe.

Please book your class well in advance. This helps your leader to plan your class and routes.

Provide contact tracing information when requested.

Follow Government guidance and rules on COVID-19 at all times.

Do not attend class if in the previous 14 days, you have:

- Had any COVID-19 symptoms?
- Been in contact with any confirmed/suspected COVID-19 case?
- Travelled internationally?

Remember many public toilet facilities remain closed, so please wash/sanitise your hands before attending and carry your own hand sanitiser to use during class.

Pay close attention to the class briefing (excited noisy dogs should be left in cars please) and always follow Class Leaders instructions.

Please maintain 2 metre physical distance from other class members throughout the class and wear a mask when this is not possible e.g. collecting kit from Class Leader

It's really best if you have your own kit. However, if you do need to borrow kit you **MUST** arrange this with the class leader and book on at least 4 days prior to class date. This gives us the time needed to safely set aside kit for you. Please follow Class Leader's instructions about return of borrowed kit.

Always respect other trail users and give them plenty of space.

Have fun!
